## QUALITY CONTROL

We pride ourselves in our quality control procedures, every vehicle is required to pass through a stringent multi-point check list. This procedure is implemented throughout the vehicle conversion at every stages of manufacturing. Every aspect of the vehicle is tested thoroughly before the vehicle is released from our workshop. We take pride in our work.

## AFTER SALES SERVICE

After sales service is also an integral part of our company, peoples lives depend on the Ambulance operating effectively and TVC are here to help you. We offer a full service/ maintenance package with warranty, emergency road side assistance (region dependent). We give your vehicle a maintenance inspection after every 5000 miles.

TVC is your Global Partner.
